

The Certification Body ARS PROBATA is a part of the Eurofins Food Assurance global network that provide recognised accredited certification, audits, training and e-learning services. The huge standards portfolio and services provided in the food branch as well a diverse group of experts and auditors in the different fields allows customers to safeguard their brand through achieving these quality and safety requirements.

Holding the accreditation for a selection of schemes like for example IFS (Food, Logistics, Wholesale/Cash & Carry and Broker), QS, organic, VLOG and KAT ARS PROBATA is a reliable partner with huge knowhow. Our network of auditors with multiple qualification provides a great flexibility in service planning and performance.
